Subject: Bond Request and Cessation Order, Red Dome Inc., Red Dome, M270032, Juab County, Utah

Dear Mr. Anderson:

On January 3, 2006 the Division sent you a letter stating that a complete and technically adequate plan had not been submitted to the Division and that you were required to post one surety for \$150,000 which would include the \$44,000 the BLM holds but name both the Bureau of Land Management and the Division of Oil, Gas, and Mining on the surety. The deadline for this action to occur was January 17, 2006.

On January 11, 2006, the Division received a letter asking the Division for an appeal to the director or the Board of Oil, Gas, and Mining (BOGM) for review of the basis for the Divisions' decisions as well as the positions Red Dome Inc. has presented to the Division. An appeal to the BOGM is called a Request for Agency Action. The Division is attaching the board rules for R641-104. *Pleadings* and a copy of the rules governing the filings for a Request for Agency Action to facilitate your Request for Agency Action.

The Division will be conducting an on site inspection in the near future and will issue a cessation order during that inspection requiring cessation of mining unless the proper surety is posted. The Division wishes to resolve this situation and hopes that your company can find the necessary surety to prevent this enforcement action.

Sincerely,

Susan M. White

### **R641. Natural Resources; Oil, Gas and Mining Board.**

#### **R641-100. General Provisions.**

##### **R641-100-100. Scope of Rules.**

These rules will be known as "Rules of Practice and Procedure Before the Board of Oil, Gas and Mining" and will govern all proceedings before the Board of Oil, Gas and Mining or any hearing examiner designated by the Board. These rules provide the procedures for formal adjudicative proceedings. The rules for informal adjudicative proceedings are in the Coal Program Rules, the Oil and Gas Conservation Rules and the Mineral Rules.

##### **R641-100-200. Definitions.**

For the purpose of these rules, the following definitions shall apply:

"Adjudicative proceeding" means a Board action or proceeding that determines the legal rights, duties, privileges, immunities, or other legal interests of one or more identifiable persons, including all Board actions to grant, deny, revoke, suspend, modify, annul, withdraw, or amend an authority, right, or license; and judicial review of all such actions. Those matters not governed by Title 63, Chapter 46b, Administrative Procedures Act, of the Utah Code Annotated (1953, as amended) shall not be included within this definition.

"Board" means the Utah Board of Oil, Gas and Mining. The Board shall hear all appeals of adjudicative proceedings which commenced before the Division as well as all adjudicative proceedings and other proceedings which commence before the Board. The Board may appoint a hearing examiner for its hearings in accordance with these rules. Unless the context of these rules requires otherwise, references to the Board shall be deemed to refer to the hearing examiner when so appointed.

"Division" means the Utah Division of Oil, Gas and Mining.

"Intervenor" means a person permitted to intervene in a proceeding before the Board.

"Legally Protected Interest" means the interest of any "owner" or "producer" as defined in Section 40-6-2 Utah Code Annotated (1953, as amended), or as defined by the rules of the Board.

"Party" means the Board, Division or other person commencing a proceeding, all respondents, all persons permitted by the Board

to intervene in the proceeding, and all persons authorized by statute or agency rule to participate as parties in a proceeding.

"Person" means an individual, group of individuals, partnership, corporation, association, political subdivision or its units, governmental subdivision or its units, public or private organization or entity of any character, or other agency.

"Petitioner" means a person who requests the initiation of any proceeding (Request for Agency Action).

"Proceeding" means an adjudicative proceeding or other proceeding.

"Respondent" means any person against whom a proceeding is initiated or whose property interests may be affected by a proceeding initiated by the Board or any other person.

"Staff" means the Division staff. The Staff will have the same rights as other parties to the proceedings.

##### **R641-100-300. Liberal Construction.**

These rules will be liberally construed to secure just, speedy, and economical determination of all issues presented to the Board.

##### **R641-100-400. Deviation from Rules.**

When good cause appears, the Board may permit a deviation from these rules insofar as it may find compliance therewith to be impractical or unnecessary or in the furtherance of justice or the statutory purposes of the Board. Notwithstanding this, in no event may the Board permit a deviation from a rule when such rule is mandated by law.

##### **R641-100-500. Utah Administrative Procedures Act.**

All rights, powers and authority described in Title 63, Chapter 46b, "Utah Administrative Procedures Act," of the Utah Code Annotated (1953, as amended), are hereby reserved to the Board. These rules shall be construed to be in compliance with the Utah Administrative Procedures Act.

**R641-101-200. Rights of Parties.**

## **R641-103. Intervention**

---

### **R641. Natural Resources; Oil, Gas and Mining Board.**

#### **R641-103. Intervention.**

##### **R641-103-100. Order Granting Leave to Intervene Required.**

Any person, not a party, desiring to intervene in a formal proceeding will obtain an order from the Board granting leave to intervene before being allowed to participate. The hearing examiner shall not have the authority to grant a leave to intervene. Such order will be requested by means of a signed, written petition to intervene which shall be filed with the Board by the Response Date and copy promptly mailed to each party by the petitioner. Any petition to intervene or materials filed after the date a response is due under R641-105-200 may be considered at the Board's next regularly scheduled meeting only upon separate motion of the intervenor made at or before the hearing for good cause shown.

110. Content of Petition. Petitions for leave to intervene must identify the proceeding by title and by docket and cause number, to the extent determinable. The petition must contain a statement of facts demonstrating that the petitioner's legal rights or interests are substantially affected by the formal adjudicative proceedings, or that the petitioner qualifies as an intervenor under any provision of law. Additionally, the petition shall include a statement of the relief, including the basis thereof, that the petitioner seeks from the Board.

120. Response to Petition. Any party to a proceeding in which intervention is sought may make an oral or written response to the petition for intervention. Such response will state the basis for opposition to intervention and may suggest limitations to be placed upon the intervenor if intervention is granted. The response must be presented or filed at or before the hearing.

130. Granting of Petition. The Board shall grant a petition for intervention if it determines that:

131. The petitioner's legal interests may be substantially affected by the formal adjudicative proceedings, and

132. The interests of justice and the orderly and prompt conduct of the adjudicative proceedings will not be materially impaired by allowing the intervention.

140. Order Requirements.

141. Any order granting or denying a

petition to intervene shall be in writing and sent by mail to the petitioner and each party.

142. An order permitting intervention may impose conditions on the intervenor's participation in the adjudicative proceeding that are necessary for a just, orderly, and prompt conduct of the adjudicative proceeding.

143. The Board may impose conditions at any time after the intervention.

144. If it appears during the course of the proceeding that an intervenor has no direct or substantial interest in the proceeding and that the public interest does not require the intervenor's participation therein, the Board may dismiss the intervenor from the proceeding.

145. In the interest of expediting a hearing, the Board may limit the extent of participation from an intervenor. Where two or more intervenors have substantially like interests and positions, the Board may at any time during the hearing limit the number of intervenors who will be permitted to testify, cross-examine witnesses or make and argue motions and objections.

That petitioner's Request for Agency Action shall be in writing and signed by the person invoking the jurisdiction of the Board, or by his or her attorney, and shall include:

133.100 The names and addresses of all persons to whom a copy of the Request for Agency Action is being sent;

### **R641. Natural Resources; Oil, Gas and Mining Board.**

#### **R641-113. Hearing Examiners.**

##### **R641-113-100. Designation of Hearing Examiner.**

The Board may, in its discretion, on its own motion or motion of one of the parties, designate a hearing examiner for purposes of taking evidence and recommending findings of fact and conclusions of law to the Board. Any member of the Board, Division Staff, or any other person designated by the Board may serve as a hearing examiner.

##### **R641-113-200. Powers.**

The order appointing a hearing examiner may specify or limit the hearing examiner's powers and may direct the hearing examiner to report only upon particular issues; to do or perform particular acts or to receive and report evidence only; and to fix the time and place for beginning and closing the hearing and for filing a report. Unless the hearing examiner's authority is limited, the hearing examiner will be vested with general authority to conduct hearings in an orderly and judicial matter, including authority to:

210. Summon and subpoena witnesses;

220. Administer oaths, call and question witnesses;

230. Require the production of records, books and documents;

##### **R641-113-400. Rules, Findings, and Conclusions of Hearing Examiner.**

During the hearing, objections to evidence will be ruled upon by the hearing examiner. Where a ruling sustains objections to an admission of evidence, the party affected may insert in the record, as a tender of proof, a summary written statement of the evidence excluded and the objecting party may then make

an offer of proof in rebuttal. Upon completion of the hearing, the hearing examiner will prepare a written summary of all such rulings and will make proposed findings of fact and conclusions of law in a proposed order in conformance with R641-109. All such proposed rulings, findings, and conclusions will be distributed to the parties and filed with the Board.

##### **R641-113-500. Board Final Order.**

No later than the 10th day of the month following filing of the proposed rulings, findings, and conclusions by the hearing examiner, any party may file with the Board such briefs or statements as they may desire regarding the proposals made by the hearing examiner, but no party will offer additional evidence without good cause shown and an accompanying request for de novo hearing before the Board. The Board will then consider the hearing examiner's proposed rulings, findings, and conclusions and such additional materials as filed by the parties and may accept, reject, or modify such proposed rulings, findings, and conclusions in whole or in part or may remand the case to the hearing examiner for further proceedings, or the Board may set aside the proposed ruling, findings, and conclusions of the hearing examiner and grant a de novo hearing before the Board. If a Board member acted as the hearing examiner, then said Board member will not participate in the Board's determination.
